

With Covid-19, Many things have changed for a lot of People
However, for me, Nothing much has changed.

I still stay at home as usual.

I still draw as usual

I still go to the park as usual

The only thing that has changed for me, is
that now, I get to wear a mask
(which are comfy)

Although circus was
closed for a bit at the
start, it's back, and as
usual, I go once a week,
and learn new, and improve
on old skills.

(I also finally climbed to the
top for the first time a few
weeks ago :o)
